

HOLIDAYS

Schedule of Events

On **Monday** we are having a Polar Express Day. We will be traveling on an imaginary train to the North Pole. If your child has a bath robe and wants to bring it they can. Please don't go buy one, as not everyone will have one. We will take a break about **10:00** and go carol at Cassoday fuel. After lunch we will watch the movie.

Tuesday we will start our parties after lunch around 11:45. We load the bus at 12:30. I have Mrs. Wilson, Mrs. Greenwood, Mrs. Griffin, and Mrs. Holcomb down to help with the party.

It's been a busy December but I hope everyone enjoyed the program and has got to spend some time with your children making memories for the years to come. As a parent, I can tell you it goes by too quickly. Making gingerbread houses at school has been a fun tradition that I have done for over 20 years now. Some years I think I won't do it and then I have kids come back and tell me that is one thing they remember about my class. Kids love traditions that they can talk about later on. I hope you all have a safe and very **Merry Christmas!**

Take time to play a game with your child over the break. It is great for learning how to follow directions and being a good sport if they lose. :)
