May 6th does not have any scheduled activities.

Testing will begin in March

MTSS is moving along. Teachers and staff are still getting the hang of it and working on improvements.

2nd DIEBELS is finished. It is not showing the same results as state tests.

Will be changing master schedule next year

There has been \$30,000 cut from this year's budget and will have to cut at least \$80,000 from next year's budget.

Our enrollment fees are almost half of surrounding districts, so they may be rising in the future.

Denise Hodge gave the teacher's report:

Body Venture will be here March 3rd. It is a walk through body. She is looking for volunteers to set up; to read information (they will need to be there by 7:45) and to break down afterwards. It is for K- 6th

Feb. 28th – March 4th is Read Across America- the Intermediate will be having fun Dr. Seuss themed activities every day.

The library will be having a book exchange during Read Across America.

Tammy gave the Box Top report

She will be submitting them February 28th. We received quite a few from Winter Homecoming. So we would like to do that again next year.

Open discussion of upcoming events

Teacher Appreciation Week – Sandy Bell

Spring Parties- Make sure we have enough parents and remind room parents to contact helpers.

Spring Concerts- Primary –May 10th

Vocal- May 11th

Band- May 3rd – we need to make sure to record band concert.

The group discussed thoughts on the vocal and band concert arrangement this year:

To many people coming and going
Nice to be able for the kids to see both levels of performance
Wasn't too long
Maybe have High School kids wait in classrooms, so there are more available seats.

Lisa asked about thoughts and ideas on having a Plant Sale as a fundraiser.

There will be no meeting in March.

Monty made a motion to adjourn at 6:55; it was approved by Larry and seconded by Tammy.
