Tami Gray gave the teachers report. They had liked the carnival and had felt it was less stressful this year because they knew what to expect. They also enjoyed the teacher appreciation activities and the T- shirts.

There was an informal discussion on the ongoing need for whiteboards.

The Carnival had good feedback. The concession raised \$513.25. The plates raised around \$520.

There was a discussion of adding advertisement to the FEPO handbook for those businesses that helped support the carnival.

Erik suggested having someone video the school programs and making copies for purchase.

There is \$1216.27 in the playground fund. Still looking into possibilities.

Discussed if there are any equipment needs for P.E. or the classrooms. Monty asked Tami to pass on information to other teachers and get back with him.

There was a discussion about the Primary not taking a field trip, therefore, not using the available funds. Suggestions of rolling the money over for later field trips or giving the money to the school for their prairie study. There was not a decision made.
